

Presentation Guidelines

Poster Guidelines

1. Poster Dimension: The usable area of poster board is 850 x 1200 mm (W x L). The maximum recommended size is the standard A0 size (841 x 1189 mm). The minimum size of 500 x 707 mm is recommended to be readable for all attendees. The face of the poster board is covered with a plastic sheet. A glue tape will be provided for your poster set-up.
2. Display Table Dimension: A table for product display will be provided with a usable area of 650 x 450 mm (W x L). The size of product display is limited to the table dimension. The height of the product display should not exceed 300 mm.
3. Display Product Regulations: The following display products are not allowed.
 - 3.1 Living organisms, including plants
 - 3.2 Soil, sand, rock, cement and/or waste samples
 - 3.3 Taxidermy specimens or parts
 - 3.4 Preserved vertebrate or invertebrate animals
 - 3.5 Human or animal food as part of the project demonstration
 - 3.6 Human/animal parts or body fluids (example: blood, urine)
 - 3.7 All chemicals and hazardous substances or devices (example: poisons, sublimating solids, drugs, firearms, weapons, ammunition, reloading devices, and lasers)
 - 3.8 Items that may contain or have been in contact with hazardous chemicals
 - 3.9 Sharp items (example: syringes, needles, pipettes, knives)
 - 3.10 Flames or highly-flammable materials (including magnified light sources). A Fresnel Lens cannot be used in conjunction with a light source, as it becomes an open flame
 - 3.11 Wet cell batteries

Oral Presentation Guidelines

1. Presentation duration: Each project is allocated 8 minutes for presentation, and 5 minutes for Q & A with the audience. Please be well prepared. A moderator will interrupt if the presentation is found to be ill-prepared.
2. Slide submission: All presenters should submit their slides by email to the organizer in advance, no later than December 15th, 2017. In case of any slide updates before the presentation, presenters can re-download the slide with the organizer on January 30th, 2018 from 7:30 – 8:30 hours.
3. The latest version of Powerpoint 2016 will be served by the provided laptop from the organizer. For the connection to high definition (HD) projector, HDMI will be used.
